EDITHBURGH MOORINGS

GPS coordinates

Northern S35°05.682' E137°44.990'

Centre S35°05.702' E137°44.974'

Southern S35°05.865' E137°45.036'

[Southern mooring is in slightly deeper water]

Moorings are all white foam buoys located in a triangle around the GPS Point.

The mooring chains all have rope attached for convenient attachment of boat lines.

These Moorings are maintained by the
CYCSA Cruising Association
