horizons of beauty and tranquility, a refuge from hectic civilised life. Others see it as a recreational area that inspires either rest or physical challenge; somewhere to mingle and share with likeminded peers. A place to begin a journey, explore and dream. Discover how the CYCSA Marine Academy can inspire you!

As South Australia's first and only Royal Yachting Association/ Australian Sailing accredited training centre, you can be sure that you are receiving the best training available. All of our staff are RYA or AS qualified and

offer a professional yet fun approach to learning to sail, powerboat and navigate. Our courses go beyond learning to sail, we also offer the International Certificate of Competence (ICC), RYA Competent Crew and Day Skipper qualifications, with many more on water and shore based courses in between.
