STATEMENT BY THE BOARD OF MANAGEMENT

In the opinion of the Board of Management, the Financial Report as set out on pages 4 to 22:

- 1. Presents fairly the financial position of The Cruising Yacht Club of SA Incorporated & its Controlled Entities (the "consolidated group") as at 31 May 2018 and its performance for the year ended on that date in accordance with the Australian Accounting Standards (including Australian Accounting Interpretations), mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- 2. At the date of this statement, there are reasonable grounds to believe that the consolidated group will be able to pay its debts as and when they fall due.
- 3. In accordance with Section 35(5) of the *Associations Incorporation Act 1985*, the Board of the consolidated group hereby states that during the year ended 31 May 2018:
 - Other than disclosed in Note 19 in the financial statements, no officer of the consolidated group has, since the end of the previous financial year, received, or become entitled to receive a benefit (other than a benefit included in the aggregate amount of emoluments received or due and receivable by the officers of the consolidated group shown in the financial report) as a result of a contract between the officer or a firm of which they are a member or an entity in which has a substantial financial interest in the consolidated group;
 - No officer of the consolidated group has, since the end of the previous financial year, received directly or indirectly from the consolidated group, any payment or other benefit of a pecuniary value (other than a benefit included in the aggregate amount of emoluments received or due and receivable by the officers of consolidated group shown in the financial report).

This statements is made in accordance with a resolution of the Board of Management and is signed for and on behalf of the Board of Management by:

President

Treasure

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements were authorised for issue on 4 July 2018 by the Board of Directors.

Basis of Preparation

The Cruising Yacht Club of SA Inc. (the Club) & Controlled Entities comprising the Club, CYC (SA) Unit Trust and CYC Ramp Trust, as a consolidated group (the economic entity), applies Australian Accounting Standards (AASB) – Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010–2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements and other applicable Australian Accounting Standards – Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board and the *Associations Incorporation Act 1985*. The economic entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

a. Income Tax

The entity is exempt from income tax under Division 50 of the *Income Tax Assessment Act* 1997. Under current income tax legislation, the CYC (SA) Unit Trust and the CYC Ramp Trust are not liable to income tax provided their taxable income is fully distributed to beneficiaries.

b. Property, Plant and Equipment

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

The cost of fixed assets constructed within by the entity includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

| Class of Fixed Asset | Depreciation Rate |
|----------------------|-------------------|
| Buildings | 2.5 – 3 % |
| Marina & Walkways | 2 – 7 % |
| Plant and Equipment | 5 – 50 % |
| Inner Breakwater | 1% |

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur.

c. Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the economic entity, are classified as finance leases

Finance leases are capitalised by recognising an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the economic entity will obtain ownership of the asset or ownership over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

d. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are recognised immediately as expenses in profit or loss.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the effective interest method.

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

(i) Financial assets at fair value through profit or loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking, derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

(iii) Financial liabilities

Non-derivative financial liabilities are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Impairment

A financial asset (or a group of financial assets) is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered to constitute a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified into profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

When the terms of financial assets that would otherwise have been past due or impaired have been renegotiated, the entity recognises the impairment for such financial assets by taking into account the original terms as if the terms have not been renegotiated so that the loss events that have occurred are duly considered.

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

De-recognition

Financial assets are derecognised when the contractual right to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised when the related obligations are discharged or cancelled, or have expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

e. Impairment of Assets

At the end of each reporting period, the Group assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

f. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

g. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(e) for further discussion on the determination of impairment losses.

h. Non-current Assets Held For Sale

The Marina Berth held for sale is classified separately from other assets in Note 7 of the statement of financial position as its carrying amount will be recovered principally through a sale transaction rather than through continuing use.

i. Revenue and Other Income

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risk and reward of ownership of the goods and the cessation of all involvement in those goods.

Annual member subscriptions and fees raised by the economic entity during the year are recognised as gross revenue.

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

License rental income to occupy Marina West berths have been accounted for in accordance with AASB 117 *Leases*. In accordance with that standard, the license to occupy a berth income received is proportionately recognised over a 40 year period. The amount of license income received that represents income to be earned in future accounting periods is disclosed in the Statement of Financial Position as being revenue received in advance.

The accounting policy for the historic sale of Marina East Berths was to recognise the entire License Income in the year received.

All revenue is stated net of the amount of goods and services tax (GST).

j. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised as expenses in the period in which they are incurred.

k. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

I. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

m. Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the entity during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

n. New and Amended Accounting Policies Adopted by the Entity

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods and which the entity has decided not to early adopt. The entity does not expect these requirements to have any material effect on the entity's financial statements.

o. Disposal of North Haven Boat Ramp Assets - 2018/19 Financial Year

The entity signed a contract with the Minister of Transport and Infrastructure on 23 February 2018 to sell the North Haven Boat Ramp. Proceeds from the sale are expected to be \$5.45 million. Settlement of the sale is subject to, and conditional on a number of conditions being met per the sales contract relating to a 'Plan of Division' that requires to be lodged and approved. At the time of issuing these financial statements, a Plan of Division has been lodged with the State Commission Assessment Panel (SCAP) and awaiting approval. Once approval is granted by SCAP, the certified plan of division will be lodged with the Lands Titles Office with settlement expected to occur at this time. Subject to all contract conditions being met, settlement is expected to occur in the 2018/19 financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

p. Key Estimates

(i) Impairment

The economic entity assesses impairment at the end of each reporting period by evaluation of conditions and events specific to the Consolidated Entity that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

| NOTE 5: TRADE AND OTHER RECEIVABLES | Consolidated Group | |
|-------------------------------------|--------------------|----------|
| | 2018 | 2017 |
| | \$ | \$ |
| CURRENT | | |
| Trade receivables | 74,895 | 88,912 |
| Provision for impairment | (21,000) | (21,000) |
| | 53,895 | 67,912 |

Provision for Impairment

Current trade receivables are non-interest bearing loans and generally are receivable within 7 to 30 days. A provision for impairment is recognised against trade receivables where there is objective evidence that an individual trade receivable is impaired. These amounts have been listed separately as impairment expenses.

Movement in the provision for impairment of receivables is as follows:

| Opening provision for impairment Charge for the year Closing provision for impairment | 21,000 | 21,000 |
|---------------------------------------------------------------------------------------|---------|---------|

Employee Provisions - Annual Leave Entitlements

The provision for employee benefits represents amounts accrued for annual leave.

Based on past experience, the economic entity expects the full amount of annual leave balance to be settled within the next 12 months. Further, these amounts must be classified as current liabilities since the economic entity does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlements.

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

| DTE 11: BORROWINGS Cons | | solidated Group | |
|------------------------------------------|---------|-----------------|--|

| Borrowings | 11 | 940,648 | 1,348,830 |
| | | 1,394,283 | 1,874,131 |

The economic entity has a bank overdraft facility amounting to \$100,000. This may be terminated at any time at the option of the bank. At 31 May 2018, \$Nil of this facility was used (2017: \$Nil). Interest rates are variable.

The entity has \$480,000 available in undrawn funds with the Westpac Bar ad Patio loan facility. The total limit of the facility is \$1.349 million.

For the year ended 31 May 2018

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2018

NOTE 17: CONTINGENT LIABILITIES

A bill discount line is provided to CYC (SA) Management Pty Ltd as trustee for the CYC (SA) Unit Trust. Cross guarantees in support of the facility have been provided over the non-current assets of CYC (SA) Unit Trust. As at 31 May 2018 \$Nil was drawn down on the bill facility (2017: \$Nil).

A bank overdraft facility of \$100,000 is provided to the Cruising Yacht Club of SA Inc., which is secured by an unlimited interlocking guarantee for CYC (SA) Management Pty Ltd as trustee for the CYC (SA) Unit Trust and CYC Ramp Pty Ltd as trustee for the CYC Ramp Trust. The facility was drawn down at \$Nil at 31 May 2018 (2017: \$Nil).

The entity has an undrawn bank overdraft facility as at 31 May 2018 of \$100,000 held with the Westpac Banking Corporation.

NOTE 18: LEASE AGREEMENT

The Minister for Transport has leased the Port Vincent Marina Basin to the Yorke Peninsula Council for a term of 99 years commencing from 1 May 2003. The Council has agreed to under lease that portion of the marina basin on which the Marina is situated to CYC (SA) Management Pty Ltd for an annual rent of \$500 per annum with an annual CPI increase every year after (if demanded) for a term of 99 years less one day commencing on 1 May 2003. CYC (SA) Management Pty Ltd has under leased the area it is leasing to the Cruising Yacht Club of South Australia Inc. (the Club) for the same nominal rent and on the same terms and conditions for a term of 99 years less 2 days commencing 1 May 2003.

The lease is of the land without the infrastructure. The infrastructure is separately hired from the developer Paradise Developments (Investments) Pty Ltd. The Club is acquiring the infrastructure pursuant to a hire purchase agreement in which each hire instalment is paid when the Club sells a licence to occupy a berth to a Club member and CYC (SA) Management Pty Ltd issues units in CYC (SA) Unit Trust to a value which in aggregate equals the hire instalment amount. The Club can require transfer of ownership of each marina finger when one half of the berths which use that marina finger for access have been licensed to Club members.

CYC Ramp Pty Ltd, as trustee for the CYC Ramp Trust, has leased the Western Marina Basin to the CYC (SA) Management Pty Ltd, as trustee for the CYC (SA) Unit trust, for a term commencing on 1 November 2008 and ending on 1 October 2083, at the same rent.

The lease is of the land without the infrastructure. The infrastructure has been separately acquired from the CYC Ramp Pty Ltd, as trustee for the CYC Ramp Trust. The Club has acquired the infrastructure pursuant to a hire purchase agreement to which each hire instalment is paid when the Club sells a license to occupy a berth to a Club member and CYC (SA) Management Pty Ltd issues units in CYC (SA) Unit Trust.

INDEPENDENT AUDITOR'S REPORT

To the members of the Cruising Yacht Club of SA Inc. & Controlled Entities

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a general purpose financial report, of the Cruising Yacht Club of SA Inc. & Controlled Entities (the economic entity), which comprises the Statement of Financial Position as at 31 May 2018, the Statement of Comprehensive Income, the Statements of Changes in Equity, the Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by the Directors on the annual statements giving a true and fair view of the financial position and performance of the economic entity.

In our opinion, the accompanying financial report of the Cruising Yacht Club of SA Inc. & Controlled Entities is in accordance with the requirements of the Associations Incorporation Act (SA) 1985, including;

- (i) giving a true and fair view of the economic entity's financial position as at 31 May 2018 and of its performance for the year then ended; and
- (ii) that the financial records kept by the economic entity are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described as in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the economic entity in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the need of the directors. Management's responsibility also includes such internal control as Management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the economic entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the economic entity or to cease operations, or has no realistic alternative but to do so.

The directors of Cruising Yacht Club of SA Inc. & Controlled Entities are responsible for overseeing the economic entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that the audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
 of the economic entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the economic entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the economic entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the economic entity to express an opinion on the financial report. We are responsible for
 the direction, supervision and performance of the Group audit. We remain solely responsible for our audit
 opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DEAN NEWBERY & PARTNERS CHARTERED ACCOUNTANTS

SAMANTHA ALLARD PARTNER

Signed on the 12th day of July 2018, at 214 Melbourne Street, North Adelaide
