The risks include, but are not limited to, the risk of injury from collision, capsizing, falling overboard, being trapped under a sail or boat after capsize and impact with equipment. The risks involved in this activity are increased by adverse weather conditions, inadequate training, fatigue, inexperience, failure to maintain the boat, failure to supply and use the recommended safety equipment and failure to observe the RRS, AS Prescriptions and the Sailing Instructions.
- 14.2 The Organising Authority relies upon the provisions and limitations of the South Australian Civil Liability Act 1936 and notifies all race participants who engage in recreational activity that they do so at their own risk. See Rule 3, Decision to Race, “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone”.
