

CYCSA

Opening Day

SATURDAY 29 OCTOBER 2022

EVENT PROGRAM

Commodore's Message

The origins of the traditional Sail Past began in the UK at the Royal Yacht Squadron at Cowes, over 200 years ago. The 'review of the fleet', steeped in more than 600 years of Royal Navy history and tradition, was introduced into yacht clubs as a continuation of the naval protocol.

The official Sail Past will commence at 1.00pm at Marina West. Following the Sail Past, we will have awards for the Best Dressed Boat, Best Dressed Crew and Best Novelty Crew for both power and sail. There will also be acknowledgements of Best Seamanship in both sail and power categories.

Presentations will also be made to this year's 25 year badge recipients and volunteer of the year.

I wish you a safe and happy 2022/2023 season and look forward to seeing you all out on the water.

Nick Bice | CYCSA Commodore

Sail Past Instructions

Skippers, please show caution for the safety of your crew and boat at all times.

1. The Sail Past will be conducted within the North Haven Marina precinct. Flat water can therefore be expected. Please refer to the course diagram adjacent.
2. Please keep away from the saluting area prior to your sail past as junior sailors will be participating first in the sail past.
3. Powerboats should commence leaving their berths from 12.30pm in time to commence passing the saluting station in Marina West at 1.00pm. Yachts are to follow behind the powerboats, leaving their berths from 1.00pm.
4. Please maintain a listening watch on VHF Channel 74.
5. Head north from Marina East and form a line behind the boat in front. Do not overtake any participating vessels.
6. Lead powerboat will be *Gladiator* (skipped by Jim Smyth)
Lead yacht will be *Sahara* (skipped by Richard Lea)
7. Leave the orange marker buoys to port as you round them.
8. Maintain a steady speed and distance of at least three boat lengths and observe the 4 knot speed limit.
9. Please ensure that you have sufficient lifesaving devices. The minimum requirement is one device per person on board.
10. All fenders should be stowed inboard.
11. Yachts are requested to use their engines as necessary. The International Collision Regulations state that "sailing vessels", when using a motor (with or without sails), are considered to be power-driven vessels.
12. After paying your respects to the Commodore, Flag Officers and special guests on the official vessel (which will be moored on the northern end of J row in Marina West), please clear the saluting area asap to avoid congestion.
13. Please then move to the Presentations and Opening of the Season which will commence at 3.00pm sharp in Horizons Room.

Inclement Weather

1. In the event of Inclement Weather the sail past may be abandoned. Notification of an abandonment will be given by flying Code Flag 'N' from the CYCSA Flag Pole together with 3 short sound signals before 12.30pm on the day. Notification of an abandonment will also be made on VHF Ch74 prior to 12.30pm
2. Should the sail past be abandoned, CYCSA Flag Officers will board CYC2 at 1.30pm and take the salute motoring past vessels in their marina berths.
3. Should the sail past be abandoned, the official party and invited guests will be served drinks in Horizons Function Room from 12.30pm

For protocol on how to dress your ship, please refer to our website:
<http://cycsa.com.au/event/opening-day/>

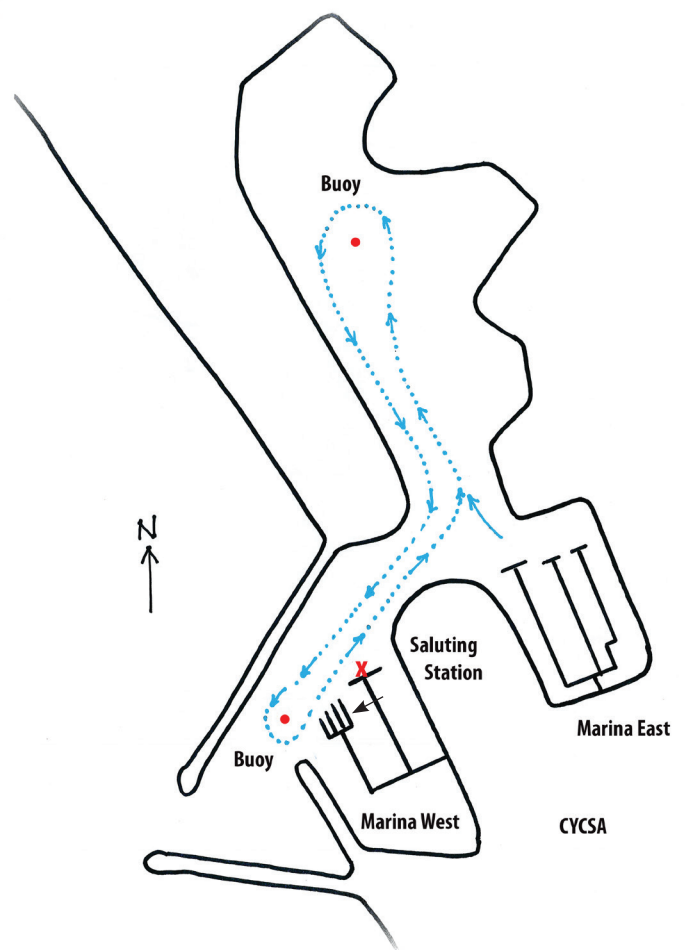

Saluting Procedure

When calling the salute, skippers are to **name their vessel**

and then call for

"Three cheers for the Cruising Yacht Club of South Australia"

1. Ensure correct lowering and the raising of your ensign or burgee when saluting. The correct procedure is as follows:
 - As you approach the stern of the 'One & All' lower or dip your flag.
 - Call the salutation as you pass the 'One & All'.
 - Raise your ensign once your salute has been recognised by the dipping of the ensign on the 'One & All'.
2. Salute in the most practical manner with the crew standing to attention on the starboard side or where possible.
