INCIDENT REPORTING

If you have an accident or have an injury during racing, please notify the Race Officer, as soon as possible and complete an incident report form, available from the PASC. Race Officer to notify Principal RO.

IN CASE OF AN - ON WATER EMERGENCY

Summary of Action Required

In all cases, contact The Race Officer (RO) on VHF 72 or 16 or by phone on [mob 0414 583 576](tel:0414583576).

Explain the situation in clear terms including:

- Nature of incident
- Location of incident
- Name of vessel(s) involved
- Details of person(s) injured
- Details of damage to vessel
- Details of weather and sea state
- Details of assistance required.

In the case of evacuation of an injured person(s):

Due to the length and logistics of the racecourse we offer two (2) evacuation points.

Both Evacuation Points are at either end of the racecourse and designed to reduce the time taken to render medical assistance.

Evacuation point will be decided by a responsible person on board the yacht and it is mandatory to advise the RO.

The RO will contact either club directly and prepare them for the emergency and ensure all resources of the respective Club's will be made available to both the yacht crew and emergency authorities:

Evacuation Point (Port Adelaide Sailing Club Inc)

All resources of the club will be made available to rescue authorities in an emergency.

Berthing will be made available at the Crane Wharf, close to both walkways leading to the car parking area.

Ambulance access through two alternate entries:

- Double gates (opened in advance) located at the northern end of the premises
- Through the main club entrance (opened in advance)

Other resources available:

- Medical kit located in the main club room next to the galley.
- Defibrillators located in the main club room next to the galley and the maintenance shed area.

Evacuation Point (Royal South Australian Yacht Squadron)

All resources of the club will be made available to rescue authorities in an emergency.

Berthing will be made available at the main Pontoon in front of the club house, close to the walkway leading to the main office and car parking area.

- Medical/Ambulance Control Point – next to Main Office Entrance.
- First Aid Kits are in Main Office; Galley; Kitchen; and in the Junior Club Rooms.
- A defibrillator and slide are stored in the Galley.
- Boat launching – on the Southern side; west of the Squadron fence-line; northern side: adjacent to junior club rooms.
- Helipad – as set out near the boat ramp on northern side of the Squadron basin.

Evacuation point will be decided by a responsible person on the yacht and advised to the RO.
