

Information for Division 3 yacht entrants

The 2024 South Australian Women's Keelboat Regatta (SAWKR) is held over the three days of the October long weekend. The Regatta has a dedicated division (Division 3) and courses which includes trailerable yachts and small keelboats wishing to sail in the Port River. The Regatta has the endorsement of Australian Sailing and SheSails.

To nominate visit the CYCSA website at <https://cycsa.com.au/sawkr/>

Key dates

Fri 4 October 2024

SAWKR registration and welcome

Sat 5 October – Mon 7 October 2024

Race days

Tue 8 October 2024

Optional tour to Adelaide wine region

Operations

The Cruising Yacht Club of South Australia (CYCSA) is hosting SAWKR together with its event partners, the Port Adelaide Sailing Club (PASC) and the Royal South Australian Yacht Squadron (RSAYS).

PASC is running the racing for Division 3 yachts, which will be held in the 'protected' waters of the Port River. Yacht berthing and trailer storage will be available free of charge at PASC. PASC is approximately seven minutes by car from the CYCSA, so crews participating on the river courses will not be 'disconnected' from the Regatta.

NOTE: In addition to completing a nomination for the Regatta through the CYCSA website all Division 3 yachts must book into PASC by emailing a completed booking form (see below) to SAWKR@pasc.com.au. For more information or to clarify any questions regarding Division 3 yacht bookings please contact Sue Kitto from PASC at SAWKR@pasc.com.au.

What will Division 3 yachts be provided with at PASC?

- Reception and storage for boats and trailers from Wednesday 2 October 2024.
- Wet berths for yachts and secure storage for entrants' trailers during the regatta.
- A PASC gate fob for each boat, providing access to club grounds and clubhouse facilities for the weekend. Note a \$50 (cash) refundable deposit for fobs will be required on arrival.
- Race courses in the Port River.

Off water activity

The SAWKR welcome Friday night, daily briefings and presentations, Sunday Regatta Dinner and overall Regatta presentations (Monday afternoon) will be held at the CYCSA. An event will be held on Saturday evening at RSAYS. The timing of all activities will account for crews racing at PASC returning to the CYCSA.

Unpowered camping at CYCSA

Limited camping sites will be available in the grounds of the CYCSA. Bookings for sites prior to arrival are essential and need to be made by contacting the CYCSA at reception@cycsa.com.au or on 08 8248 4222 for initial enquiries.
